- Contesting member should be EATC certified and must submit a copy of the EATC certificate along with the nomination form.
- A member is barred to contest for the elections if his company has been suspended / terminated from the AAERI (for a period of two years from the disciplinary action).
- The executive committee will serve for two years.
- The election officer nominated by AAERI for the election will have the full and final role in case of a conflict, the election officer will be independent and can take independent decision as per the AAERI MOA, Societies Act and the general election norms.
- The election officer should normally be a person of standing and having no direct interest in the election of any member to the executive.
- Contesting candidates are barred from door to door canvassing seeking votes from other members.
- The election process will comprise off the first stage of calling for expressions of interest followed by preparation of the ballot and then the process of voting through a postal ballot. The ballots should be in sealed envelopes and with a stamp of the agency on the ballot and/or a cover letter from the agency on the agency's letterhead.
- The date of counting of the votes should be communicated in advance to the participants and participants (or their proxy) may attend the tabulation to be held at a suitable venue and the ballots should only be opened at that time.
- Once the election process has commenced, the executive moves to an outgoing or caretaker mode and should not take any decisions or actions (unless urgent) against any participating member.
